Hi Lena,

No need to apologize, I understand. I will miss you, but you will definitely be there in spirit. I ran into Frank last week, and he told me that you were leaving. I am glad that Robert found a job in Florida and I hope you have a wonderful life there. But do keep in touch.

I will definitely see you before you leave. I will only be in on Tues. and Wed. of next week, so I will try to make lunch on Friday with you all. I will ask Tein to let me know what time is lunch.

I will see you soon.

Annie

Dear Annie,

Thank you very much for inviting us to your wedding.
I am sorry I never got back to you before.
Unfortunately, Robert and I won't be able to attend your wedding, but we will be with you on this important day in our minds and hearts.
The reason we are not coming to your wedding is because we are moving to Florida, Fort Lauderdale, around July 10-11. My husband found job there.
I am leaving the MBL, my last day here is July 9, but before that I will need to see you sometime next week, if it's work for you.
May be we will have lunch together? Please let me know.

Thank you very much, Lena
